

Colsterworth & District Neighbourhood Plan

It's YOUR community, have YOUR say

Submission Plan Summary

Colsterworth and District Neighbourhood Plan is an important planning document, which will shape the future of our community over the next ten years. It is relevant to all parishioners and those who value our unique heritage and sense of community.

Why do we need a Neighbourhood Plan?

SKDC are required by the government to build more new homes up until 2026. Colsterworth and District Parish has to take its share of this requirement. By preparing a Neighbourhood Plan the Parish Council are taking the opportunity to influence the type, scale and design of any development which can take place within the Parish.

Vision for the Parish in 10 years' time:

'A flourishing, diverse community in an economically sustainable rural environment, that conserves its natural and historic heritage and quality of life.'
